

12th IEEE CASS Rio Grande do Sul Workshop 2022

Title: An Example Poster to Present your work in the IEEE CASSW-NE

1st Author Name, 2nd Author Name, 3rd Author Name

Undergraduate or Graduate

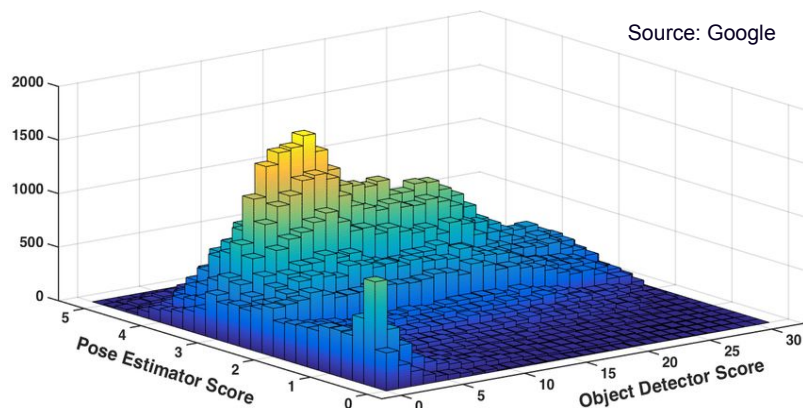

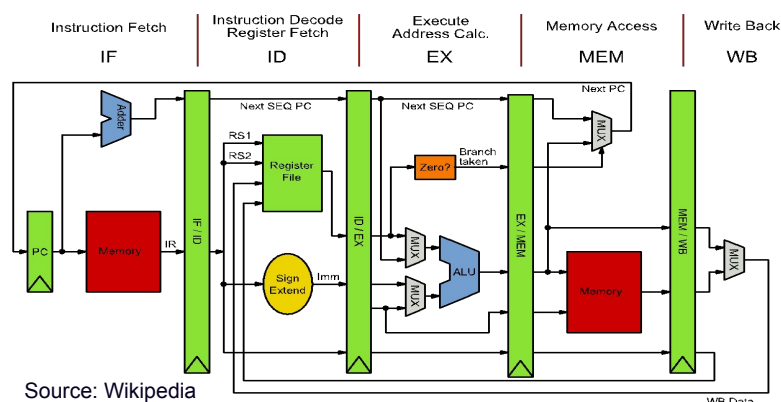

Introduction

- A4 page (21 x 29.7 cm) PDF
- Stick to the template in the following areas: main title, author list, affiliation and contact sections
- Presenting author must be highlighted
- Inform that the first author is Undergraduate or Graduate student
- The remaining can be freely modified to suit your needs
- Go straight to the point, simple, clear, preferring images to text with credit to the sources
- Keep in the poster the event information and sponsors' area.
- Try to keep the color pallet.

Suggested Structure

- Introduction
- Proposal
- Methods
- Results
- Conclusions
- References

Element	A4 Font size	A1 result
Conf. Name	21	84
Paper Title	18	72
Author list	15	60
Tex Body	14	56
Affiliation	10	40
References	11	44
Sources	8	32
